25th GLOBAL
MEETING
San José, Costa Rica 2026

25th GLOBAL
MEETING
San José, Costa Rica 2026

We needed to mirror the international membership and participation of ISoP, and for this reason we changed our meeting to reflect what truly describe us:

We are global.

25th GLOBAL MEETING
San José, Costa Rica 2026

New Features:

- Workshops and Interactive Sessions.
- Sessions in collaboration with International Partners.
- Elaboration of Position Statements.

- Opening channels to suggest topics in the Scientific Agenda.

Who are we?

+1200 members

+100 countries

Global non-profit professional organization which aims to foster pharmacovigilance both

scientifically and educationally

while enhancing all aspects of the **safe and proper use of medicines**, in all countries.

The aim of the International Society of Pharmacovigilance is to provide an international forum for those with an interest in the clinical and scientific aspects of **drug safety**

Our society consists of members of all ages from **industry, governmental agencies research and academic bodies.**

Pura vida and welcome to the 25th ISoP Global Meeting 2026!

**Wellbeing,
Positivity &
Gratitude**

Welcome to **San José, Costa Rica**,
the heart of **Central America**
and the proud host of this milestone
event.

From **September 22 to 25, 2026**, our vibrant
capital will become the global **epicenter of
pharmacovigilance**, bringing together over

600 experts

from around the world to advance the safe
and effective use of medicines.

#ISoP2026CostaRica

**25th GLOBAL
MEETING**
San José, Costa Rica 2026

Costa Rica is known not only for its lush **biodiversity and peaceful spirit**, but also for its deep commitment to public health, science, and international collaboration. As we say here, **“Estamos listos para recibirlos con los brazos abiertos”** – we’re ready to welcome you with open arms.

This congress is more than a scientific gathering; it is a **celebration of shared purpose, innovation, and community**. And at the heart of it all is our unwavering priority: la seguridad del paciente (**patient safety**).

#ISoP2026CostaRica

Every session, every discussion, and every collaboration will be guided by our **collective mission to protect and empower patients through safer healthcare practices**.

InterContinental
Hotel

Why ecosystems of trust?

ES

Es un **ecosistema** donde la confianza entre **pacientes, profesionales de la salud, autoridades regulatorias, industria y sociedad** es el pilar que sostiene decisiones seguras, éticas y responsables.

Es reconocer que la salud no se construye en aislamiento, sino en **colaboración, transparencia y compromiso**.

Es entender que la confianza es el medicamento más poderoso que podemos ofrecer.

EN

It is an **ecosystem** where trust among **patients, healthcare professionals, regulatory authorities, industry, and society** is the pillar that sustains safe, ethical, and responsible decisions.

It is recognizing that health is not built in isolation, but in **collaboration, transparency, and commitment**.

It is understanding that trust is the most powerful medicine we can offer.
